

Necessary Chauvinism

I was raised in a Southern fashion.

Always workin' in a male-only crew.

Anywhere you're at, or anyone you're with

A man can do what a man's got to do.

Now I can feel a woman's comin'

'Fore she ever comes into sight.

No matter how soon it's been since I went last

My bladder starts a'gettin' plumb tight.

***Written horseback with R W Hampton, Jeremy and Chuck while working cattle at Sedan.**

Inspired when Mrs. Unruh showed up on the scene 2/27/95
